## Call for conference participation

Sopiane Assosiation in cooperation with Europe Direct Information Office for Baranya Conty is organizing the Youth in Europe conference in Pécs under the auspices of Doctoral Students' Assosiation of the University of Pécs.

The aim of the conference is to start and generate scientific inter-disciplinary conversation among young intellectuals from EU member and candidate countries. Meanwhile EU member states' representatives have adequate and precise knowledge on the potentials of the EU candidate countries' representatives will bring new insights in the communication. The joint efforts can result in achieving a more homogenous, better and more common Union by synthetizing the problems regarded from different point of views.

The professionally prestigious academic plenary and section papers offer a unique opportunity for young PhD students, scholars and researchers to present their research topic. The program also includes social activities that bring variety and color to the two days long event.

The conference will be held between the 13<sup>th</sup> and 14<sup>th</sup> November 2015 in the Zsolnay Quarter in Pécs.
